

Daphne

You will fall in love with her the moment you meet her! She certainly is not the most photogenic girl around, but then again she hasn't been exposed to much in her short time, so even the little things make her nervous. Daphne is just as sweet and loving as they come, but she is a mover and a shaker and is regularly found under foot. She needs a little confidence boosting and socialization, but that is nothing compared to the battle she recently fought with parvo to get here (she is now completely recovered). Daphne would love a quiet household with some extra time and patience to dote on her.

Special Needs

Vet reference required. No kids under 12.

Puppy Love

I'm cute, and cuddly and lots of fun! I think everything is a toy for me to play with. You'll need lots of time and patience to teach me everything I need to learn. Sign me up for some puppy kindergarten classes so I can become the best dog I can be!
